 Corporation, business or organization providing public access to public services on the Highland Lakes

Purpose of buoy or restricted area:

Please include these documents when submitting the application:

- **A vicinity map** showing both lake and land areas surrounding the proposed restricted area. The vicinity depicted on the map should include enough of the surrounding area so the proposed restricted area can easily be located on any map of the lake.
- **A detailed plan (to approximate scale) relative to the shoreline** showing the proposed restricted area and including the specific location, configuration and type of all buoys and floats that will be used to mark the proposed restricted area.

Public notice also may be required to obtain a Restricted Area Permit. Read more about public notice requirements in the Buoy Guide at www.lcra.org/hlmo.

If you have questions about the permitting process, contact LCRA Water Surface Management at 800-776-5272, ext. 3147.
